

THE PERFECT WELCOME THIS CHRISTMAS

26th November 2008...Are you hosting or entertaining friends and family this Christmas? Why not create the perfect Christmas welcome for your home with a new gate from Cannock Gates.

With a range of wrought iron style and wooden gates available for a pre-Christmas delivery*, you can create the perfect welcome for your property this Christmas, complete with a wreath hanging off your new gated entrance for the perfect Christmas touch.

Colin Stead, Managing Director for Cannock Gates, says: "Everyone wants their home to look great for the festive season, especially if the family and in-laws are all round for Christmas dinner! A gated entrance creates a wonderful welcome and it's not too late to order and install a gate to your property for this Christmas."

Cannock Gates is the UK's largest manufacturer of gates offering the UK's largest range of wooden gates and wrought iron style gates and railings. The extensive range includes garden gates, side gates, drive gates, estate gates and field gates in over 750 standard size/style combinations. Cannock Gates' bespoke service also allows you to choose a style and size of gate to perfectly suit your home, whatever the setting and shape!**

Where extra security is required, Cannock Gates also supply wrought iron style window grilles, security gates for doorways and security locks. A range of traditional garden products including arches, arbours, picnic tables, planters and tool sheds is also available.

Most pairs of gates are suitable for automation, with a choice of above and below ground hydraulic systems and electromechanical systems, some designed for easy DIY installation.

Operating for over 25 years, the Cannock Gates ethos is based upon traditional manufacturing methods and skilled craftsmen.

All Cannock Gates timber products are PEFC certified and are produced in ways which do not damage ancient forests, harm wildlife or jeopardise the future of the people whose lives depend on the forest.

For further information please call 01543 462500 or visit the Cannock Gates web site – www.cannockgates.co.uk

ENDS
